READY FOR THE ARGUMENTS.

The Towles Forgery Trial Nearing Its Completion.

The testimony in the case of Gilbert O. Towles, who is on trial in Criminal Court No. 2, on a charge of forgery, was completed yesterday, and arguments to the jury will be commenced this morning.

Mr. Towles had testified that he had informed Mr. Robbins of certain alterations made in notes endorsed by him and payable at the Hanover National Bank of New York and the Cecil National Bank, of Port Deposit, Md.

When the proceedings were resumed yesterday Major Erasmus L. Hawks was called to testify on behalf of the defense. He said that on an occasion when at Gilbert O. Towles' office he saw there a number of blank promissory notes which were endorsed by Zenas C. Robbins. The latter had previously testified that he never signed any blank promissory notes.

Attorney Sidney T. Thomas testified that one of his clients held one of the notes for \$2,000, upon which the indictment against Towles is based. He said that he notified all the endorsers, one of whom is Zenas C. Robbins, concerning the maturity of the paper. The endorsers, except Mr. Robbins, the witness said, acknowledged the note.

Charles C. Duncan testified in reference to a conference had with the parties relative to arrangements looking to securing the payment of all the notes issued in connection with the Gettysburg battle-field land deal.

Both legs had been cut off and he evidently had bled to death. There were no other evidences of violence about the body, which was found to be the body of the colored man who was killed by a train of the Baltimore and Ohio Railroad on Monday last.
